Years of Service

Every year at the Marietta City Schools "Welcome Back" Kickoff, the Marietta Schools Foundation honors employees with 10, 20, and 30-years of service to Marietta City Schools with special pins. Staff retention greatly contributes to a school district's success. The Marietta Schools Foundation is proud to recognize the dedication of the fine staff who keep coming back year after to help our schools and our students be successful.

Class Reunions

staying blue and true

Relive the glory days at Marietta High and plan a class reunion. Many classes are combining multi-years for their class reunion. The classes from 1967-1969 held a big joint reunion to mark their 40 years in 2008. These combined reunions have proven to be a big success, as the classes of 1970-74 learned last year. They had over 400 attendees and everyone had a terrific time. The Alumni House is a perfect place to gather and start planning for reunions. In fact, the Class of 1948 actually meets monthly. There are several big reunions coming up this fall. Visit the Alumni House or contact Vicki Turner Hunt at 770-427-1012 or

vhunt@mariettaschoolsfoundation.com to find out how you can start planning your own reunion.

Jazma Parker's dream was not to be the third generation to live in Public Housing and to make something of herself. She was raised in Lyman Homes in Marietta and went through the City school system. She always liked "Law and Order" and wanted to be an investigator. In High school she volunteered at the Marietta Police Department and became even more enthusiastic. In 2004 she was an Alexis Grubbs Scholarship winner when she graduated at the University of West Georgia she earned a Bachelor of Science in Criminology after which she began working in Washington D.C as a Background Investigator at USIS working with agencies of the Federal Government. In June this year she earned a Masters of Science in Justice and Security Administration from the University of Phoenix. Jazma now resides in Washington D.C. and will never be in public housing again.
